

The Action of Doing

Honestly ask yourself...

1. What action(s) are you afraid of taking now because you might make a mistake or fail?
2. What is the worst thing that could happen?
3. What is the best thing that could happen?
4. **Most importantly, what would happen if you never tried at all?**

*To help with taking action, turn this over and develop a plan you will commit to as you begin your journey towards creating a career change and hopefully, the work you love...
