

UW-Madison Enrollment Process

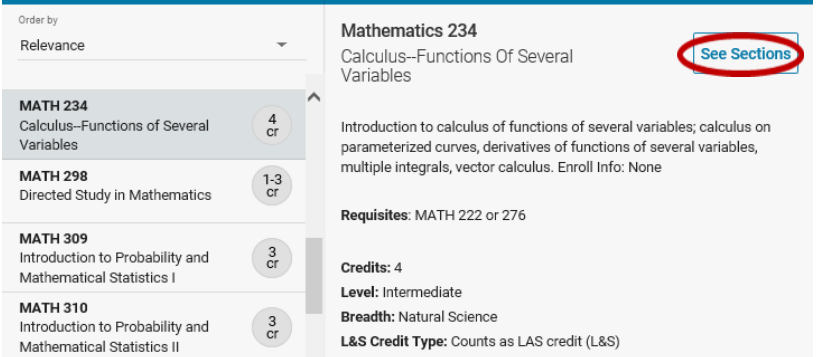

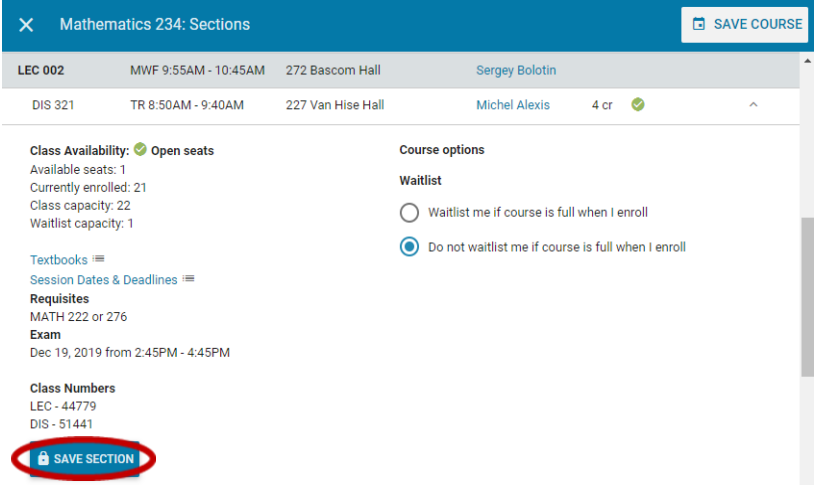

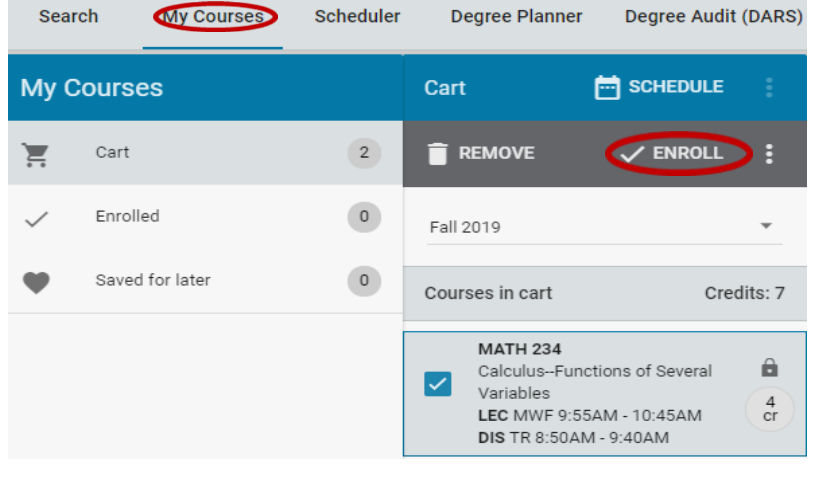

Plan to be at a computer at or near to your earliest enrollment time to have the best chance of getting into a class.

<p>Step 1: Log in to your MyUW account (http://my.wisc.edu) using your NetID and password. Select the Academic Navigator widget, then select the Course Search & Enroll widget.</p>	
<p>Step 2: Select the correct term and select your intended Subject area. All search results for this term and subject will automatically generate on the right-hand side of the screen.</p>	
<p>Step 3: Select your intended course. Once selected, you will see the course prerequisite requirements. Consult with the department offering the course if you have questions regarding prerequisites or the status of the course. Permission to enroll is needed if the course requires instructor consent or if you do not satisfy prerequisites. <i>Only the department can help you with gaining enrollment permissions.</i></p>
