Once you find a course to audit . . .

- Write down the course information (i.e. subject, category number, course name, date, and time).
- If you would like to save courses of interest within Course Search and Enroll and are admitted for the term you are searching, login using your NetID and password.
- Once your enrollment date and time has come, and after you have received permission to enroll, follow the enrollment instructions listed on the senior guest auditor webpage under 'Enroll in class' https://acsss.wisc.edu/senior-guestauditors/

Additional Notes:

- If you are interested in auditing a History or History of Science course, please review the History Department Senior Guest Auditor page at <u>https://history.wisc.edu/courses/seniorguest-auditors/</u>
- A PDF copy of the full course list, as well as a condensed 'courses for your consideration' list, can be found on our webpage <u>https://acsss.wisc.edu/senior-guest-auditors/</u> under "Search for classes" or a paper copy can be viewed in our office at 21 N. Park St., 7th Floor, room 7101.
- If a course is listed as closed or is waitlisted, it does not automatically mean it cannot be audited.

We hope you found these instructions helpful in your search for courses!
